I spoke to the lab and everything but metals and cyanide is finished. I can forward you the completed results as soon as I get them if you'd like. Metals and cyanide will be finished by early tomorrow. I had talked to Mark earlier today and he had indicated that he would prefer to wait until everything is complete before reporting. Please let me know if you would like me to forward results tonight or if you want to wait until the am.

Thanks,

Angye

Good Morning

We were expecting results on Friday and did not receive any word.

Please let me know when we will get the results so we can plan ahead.

Mark, once we receive the results see if Triad can take it.

Thanks

Jim
